

February 2019 The American Guild of Organists San Francisco Chapter Newsletter

Dean's Column

by William Vaughan

On December 23, 2018, Chris Tietze celebrated his 50th year as a church organist with a concert "The Nativity of Our Lord Jesus Christ as Proclaimed by the Organ," at St Mary's Cathedral.

It was a very creative program attended by family, friends, parishioners and many guild members. We heard scripture proclaimed, then Mimi Ruiz, soprano, sang the melody of the carol that Chris then played on the organ. We heard works by Bach, Daquin, Karg-Elert, Scheidt, Franck, Pachelbel and Mulet. Congratulations Chris from all your colleagues!

Our January event was a splendid organ recital by Bruce Neswick at Grace Cathedral. We heard many beautiful lush sounds of the organ throughout his program. Afterwards many joined us in the Chapter House for a reception. My sincere thanks go out to Eric Choate and Susanne Rommel for organizing the festive reception.

Thank you to all of you who completed the survey on-line or by mail. The results are printed in this newsletter. [Ed: See page 2]

Our chapter event in March will be on Saturday, March 16. Cliff Hill will present a choral reading workshop at Assumption Church in San Leandro. We will have a hot lunch at [12] noon followed by the choral reading session from 1pm to 2pm. More information will follow next month. Shown here is a photo of Cliff directing our last reading session on Presidents' Day 2017 at St Stephen's, Belvedere.

February Event: Presidents' Day

Our February event will be an organ crawl on Presidents' Day, Monday, February 18.

This is the schedule:

- 10:00 - Lafayette-Orinda Presbyterian Church
- 12:00 - Lunch at the home of Rick Walling in Walnut Creek
- 2:00 - Tour and dessert at Schoenstein & Co. in Benicia

The cost is \$15 for lunch, which will be a hot buffet: rotisserie turkey breast, garlic dill new potatoes, and fresh steamed vegetables, all catered by Boston Market.

Because Rick's house has a limited capacity, I estimate that we could accommodate 25 or so people. Please reserve your spot and pay for lunch by clicking the following: [Eventbrite](#).

Parking is very limited at Rick's house, so I hope we can all carpool from Lafayette-Orinda Presbyterian Church.

If you do not have internet access and would like to come, please call me, Bill Vaughan, at 707-373-0643 to reserve your spot for lunch.

Next SFAGO Board Meeting

SFAGO Member Survey, November 2018

7 Questions — 58 Responses
Collected between 11/20 through 11/26

First of all, we want to thank everyone who took part in the SFAGO Member Survey in November. Any survey, short or long, takes some effort during our busy schedules and the support of our 60 responders is truly appreciated! As a quick reminder, the SFAGO Member Survey was designed to hear your voice, and to include your feedback and input into the planning of the 2019–2020 season's program. We sent the survey to all our members shortly before Thanksgiving, via email to those with email address on file, and via snail mail to those without an email account.

The Questions

As the survey was anonymous, the first three questions were designed to get an idea of the population of responders: Which events did you attend during the last season, how likely are you to attend concerts or events in this current season and what was the reason for this likelihood. From these three questions we got a good understanding that while everyone enjoys organ music, many attend our concerts and events because we have a great program and because they enjoy the community. We also learned that our schedules are creating conflicts for some of you and that distance is a significant factor for others, who would like to attend if the locations were closer (or in some cases, if they had not moved out of the area).

The next four questions were designed to get feedback around what members would like to see changed and what you would like us to continue in our SFAGO program. Overall the responses received were very positive and appreciative of the SFAGO program, and it reconfirms the value the guild plays for so many members. In the following, we would like to provide some highlights from the survey.

Your Responses

In several responses it became clear that social time and dinners are highly appreciated by many members, therefore we will continue with our focus to provide dinners, receptions and opportunities for social time.

We also heard feedback that for many of us who are not concert organists, more opportunities for member recitals on different intermediate levels would be beneficial. Therefore, we are looking into how best to implement member recitals in our next season 2019–2020 – stay tuned.

In the category, what members want to see more of and would like to keep, educational opportunities, classes, recitals and workshops surfaced clear and loud: "I love masterclasses and workshops / lectures", "Workshops on hymn improvisation, easy choral music, recitals, young organist recitals", "Workshops for 'new' organists, such as pianists who may find themselves suddenly serving church

positions and need help and information for making the transition", "President's Day workshops and events, special thematic and/or commemorative programs, recitals", "Embellishing congregational hymns which encourages and inspires singing. Detailed steps that will be covered in an improvisation workshop and ways to prepare for it", "Skill-honing workshops for non-concert-artist church musicians", Hymn playing workshop/seminar", "Improvisation workshop", "More educational programs", "Masterclasses, workshops with professionals", "Educational opportunities for the 'average' organists", "Education, seminars and workshops for the beginning and volunteer organists who are for the most part recruited pianists", "Learning from members" are just a few examples of verbatim feedback we received in regards to educational opportunities, classes, recitals and workshops.

Additionally, many members mentioned their wish for more solo organ concerts, some mentioned to strengthen promoting young organists, and a few members would like to see some concerts and workshops further east, perhaps Contra Costa County. We are evaluating your specific and detailed feedback as part of the on-going planning for the 2019–2020 season.

And last but not least we want to close with an acknowledgment to everyone who is open to work with us on events and concerts at their locations. In the survey introduction, we had encouraged members to let us know if they would like to host an event or concert in the 2019–2020 season. We are very glad about the several responses received and we are much looking forward to working with you in developing our next season's program. ~~~~~
